

## **Play Area Report**

We currently have a grant of £2,930 from UDC for the playground which needs to be spent, sooner rather than later. After the last lot went in, I was given feedback that equipment for toddlers/pre-schoolers, especially a playhouse, would be appreciated.

With that in mind, please find below links to some play equipment that we're thinking of.

Also attached are the costs and quotes for installation. (Just to let you know, I've been given another quote for delivery only on the playdale equipment at £219.)

It would be great if we could make a decision at the next meeting.  
In the meantime, I'll get an opinion from Pre-School.

Thanks
