

GREAT CHESTERFORD NEIGHBOURHOOD WATCH

Supported

By

NEW MEMBERS WANTED

The Neighbourhood Watch Scheme has been re-established within the village.

Whilst we already have a number of individuals involved in the scheme we would really appreciate the involvement of more village residents. The desired scenario is to have at least one person actively involved in the scheme per road in the village.

You can offer as much or as little time as you wish:

- You may be someone who could inform your neighbours of crime prevention updates and incidents.
- You may wish to take a more active role as a committee member.
- Or your part maybe as simple as keeping a look out while your neighbour is on holiday and making sure there are no tell-tale signs that would attract a burglar.

On becoming a member of the scheme you will receive a pack which contains valuable information to help you keep your family home and possessions safe, as well as some booklets and the Neighbourhood Watch window sticker.

If you are interested in joining the Scheme, please either email gcnw@hotmail.co.uk or fill in your name, address, email and telephone number on the bottom of this note and post it in the blue letter box under the Parish Noticeboard (which is located opposite the post office).

Every bit of help will be gratefully received.

Many thanks
