

Great Chesterford Village Plan

What Is A Village Plan?

A Village Plan (or Parish Plan, as it is also known) is a document that helps to determine the future of a community, and how it can change for the better.

It is a document that sets out a vision for the future of the parish and outlines how that can be achieved. Many communities like ours have produced a Village Plan to influence, provide evidence and initiate projects in the local community.

Tell Us What You Think

The process involves local people like you providing opinions on Great Chesterford. This is your opportunity to raise issues, to say would make this parish even better to live in, and to help set priorities.
